The Lost and Forgotten Languages of Shanghai: Ruiyan Xu ...

9 Hattic. Their language was probably lost after they assimilated with the Indo-European people who invaded Anatolia. There have been attempts to link Hattic to Caucasian languages—such as Abkhaz, Ubykh, and even Georgian—but evidence remains elusive, mainly due to the scarcity of texts written in the language.

The Lost and Forgotten Languages of Shanghai (Hardcover ...

An extinct language is a language that no longer has any speakers, especially if the language has no living descendants. In contrast, a dead language is "one that is no longer the native language of any community", even if it is still in use, like Latin. Languages that currently have living native speakers are sometimes called modern languages to contrast them with dead languages, especially ...

Extinct language - Wikipedia

Beyond the luminous prose and wise characterization, "The Lost and Forgotten Languages of Shanghai" also seduces the reader with its gorgeous and precise depiction of the scenery of Shanghai and towards the end of the book of the surrounding countryside. A western reader finds this to be a surprisingly domesticated and romantic setting.
