Desire Map Day Planner Program. I've written books, I've recorded books, and if I could, I'd eat books for breakfast. I've also tried every calendar system out there and I never found one that inspired me as much as my favourite books.

### **Here I am. — Danielle LaPorte**

Luckily, we met with Danielle LaPorte, author, speaker and one of Oprah's Super Soul 100, at the AWE event at Wanderlust, Hollywood, in October. Throughout our interview with her, we learned how to identify and reach happiness and success, and we heard about "getting yours" — which, she says, can all coexist.

Standout features: The focus of the Desire Map book is on realizing how you want to feel and orienting your life around it, and the planners are meant to help you do that. Instead of just having to dos, there are spaces for your core desired feelings, as well as affirmations and “soul prompts” on every page.
