"Never underestimate the use of imagination and creativity to get the job done," says co-founding partner, William "Bud" Kirk. When the founding partners encountered an unforeseeable roadblock at a Tampa courthouse in early 1983, they turned what could have been a major disappointment into what is now a memorable victory.

But it's clear from this film that I've been in denial all these years. And I'm not the only Eagles fan who feels duped. While the movie is getting mostly rave reviews and there are many Eagles fans out there who love it and have said so on Eagles fan sites and social media, a number of Eagles loyalists I've interviewed tell me they feel angered and betrayed by the new doc, which includes rare ...

Again, they were onstage playing for a sold-out crowd in Long Beach at the time. As Tao of Joe Walsh says now, "Whoa — when that kind of stuff is onstage and you're in front of people, you've got problems." When the show ended, Felder stormed off and shattered his guitar — "his cheapest guitar," as Frey sardonically points out now — then screeched off in his limo to avoid a ...
