The Villa Diodati is a mansion in the village of Cologny near Lake Geneva in Switzerland, notable because Lord Byron rented it and stayed there with John Polidori in the summer of 1816. Mary Shelley and Percy Bysshe Shelley, who had rented a house nearby, were frequent visitors. Because of poor weather, in June 1816 the group famously spent three days together inside the house creating stories ...

An elemental is a mythic being that is described in occult and alchemical works from around the time of the European Renaissance, and particularly elaborated in the 16th century works of Paracelsus. According to Paracelsus and his subsequent followers, there are four categories of elementals, which are gnomes, undines, sylphs, and salamanders. These correspond to the four Empedoclean elements ...
