Rob Davis is someone's who's taken full and efficient advantage of that impossibility. 'The Motherless Oven' is a book brimming with un-real brilliance. The story begins (as all good stories do) on a dark and stormy night (well, afternoon), and Scarper Lee (our hero) is at home drinking tea, dreaming about biscuits and listening to the downpour of knives thudding into his lawn.

GRAPHIC NOVEL REVIEW: The Motherless Oven by Rob Davis

Last year, we reviewed a rather strange title from the good folk at SelfMadeHero entitled The Motherless Oven, our review of which you can read here. We recently managed to have a chat with the book's author – Rob Davis, where we discussed kitchen sink dramas, being on the verge of freedom, and potential trilogies...

Rob Davis (Author of The Motherless Oven) - Goodreads

But in the case of Rob Davis's The Motherless Oven, out now from SelfMadeHero, they very much ring true. Where else can you find a story in which parents are reduced to either functional or function-less objects, knives fall from the sky and pupils get taught classes like 'circular history' and 'mythematics'.

A Different Kind of Disturbia - Rob Davis on The ...

"Better sorry than safe." That's the first sentence of Rob Davis's The Motherless Oven. Many who have risked reading the book and posted disturbed or embarrassed reviews on social media might not have considered the full spectrum such a motto might entail.

The Motherless Oven | The Comics Journal

I shouldn't be surprised and I'm not: THE MOTHERLESS OVEN comes from Rob Davis, the creator of THE COMPLETE DON QUIXOTE and the instigator, director and chief writer of NELSON, another all-time classic which - like the equally original THE NAO OF BROWN - won the British Comic Awards for best graphic novel of its year, deservedly.
