An imagined community is a concept developed by Benedict Anderson in his 1983 book *Imagined Communities*, to analyze nationalism. Anderson depicts a nation as a socially constructed community, imagined by the people who perceive themselves as part of that group.: 6–7 The media also creates imagined communities, through usually targeting a mass audience or generalizing and addressing citizens ...

Imagined community - Wikipedia

The idea of the sexy vampire is something Bram Stoker essentially invented-- before that, vampires in folklore were basically walking corpses. Dracula reinvented the vampire as someone whose bones you would walk over your mother's grave to jump. It worked then for the exact same reason they work now -- they were the absolute inversion of conservative Victorian ideals.

6 Mind-Blowing Ways Zombies and Vampires Explain America

Old Demons, New Debates: This was the title that the yivo Institute gave to last year's international conference on anti-Semitism in the West. The conference's brochure drove the point home more clearly: "To a number of observers, what had been repressed has suddenly and forcefully returned.

In the Name of the Other: Reflections on the Coming Anti ...

Imprisonment has become the response of first resort to far too many of the social problems that burden people who are ensconced in poverty. These problems often are veiled by being conveniently grouped together under the category "crime" and by the automatic attribution of criminal behavior to people of color.

Masked Racism: Reflections on the Prison Industrial Complex

Of the Present Ability of America: with some Miscellaneous Reflections. I HAVE never met with a man, either in England or America, who hath not confessed his opinion, that a separation between the countries would take place one time or other: And there is no instance in which we have shown less judgment, than in endeavoring to describe, what we call, the ripeness or fitness of the continent ...

Thomas Paine: Common Sense - US History

Reflections on the Revolution in France is a political pamphlet written by the Irish statesman Edmund Burke and published in November 1790. One of the best-known intellectual attacks against the French Revolution, *Reflections* is a defining tract of modern conservatism as well as an important contribution to international theory. Above all else, it has been one of the defining efforts of Edmund ...
