The Invention of News: How the World Came to Know About ...

The Invention Of News: How The World Came To Know About Itself. The Invention of News is a study of the development of a commercial culture of news in the five centuries between the late middle ages and the breakthrough to a daily press at the end of the eighteenth century. It draws on research in ten European countries and North America,...

The Invention Of News: How The World Came To Know About Itself

The Invention of News. By the close of the eighteenth century, Pettegree concludes, transmission of news had become so efficient and widespread that European citizens—now aware of wars, revolutions, crime, disasters, scandals, and other events—were poised to emerge as actors in the great events unfolding around them.

Invention of News | Yale University Press

The Invention of News is a misleading title, of course. For events have always happened. What Pettegree is referring to is the reporting of events. It is a game in which life or death is determined by speed and trustworthiness.

The Invention of News by Andrew Pettegree | Books | The ...

Although the term came into being back in 1693, it's clear reading "The Invention of News" that the concept of professional journalism is a relatively recent idea.

'The Invention of News,' by Andrew Pettegree - The New ...

How the invention of paper changed the world. It was common 600 or 700 years earlier in the Abbasid Caliphate, spanning the Middle East and North Africa. Still, the Gutenberg press did change the world. It led to Europe's reformation, science, the newspaper, the novel, the school textbook, and much else.

How the invention of paper changed the world - BBC News

1 The first newspaper (when were newspapers invented?) People have long circulated news via word-of-mouth, and as language evolved into writing and literacy – and governments played larger roles in people's lives – sharing information became a necessity. However, disseminating news and information on paper presented significant challenges.

History of the Printed Newspaper - PsPrint | Top Quality ...

"The Invention of Race," a documentary produced and hosted by John Biewen, explores how these concepts developed from the ancient world to today.

'The Invention of Race' | MPR News

How a \$1,000 art-auction bet turned into the 'Salvator Mundi,' a painting some believe to be a lost Leonardo Da Vinci work that later sold for \$450 million.
