David Chelimsky is the lead developer/maintainer of RSpec. He has been developing software for nearly a decade, and exploring TDD for over five of those years. After three years training and mentoring agile teams at Object Mentor, David currently leads the software development team at Articulated Man, a Chicago based, interactive design firm.

RSpec Book : David Chelimsky : 9781934356371

review 1: This is a good reference, but it is even better at putting ruby, test driven development, behavior driven development, cucumber and Rspec together in one holistic package. I have found the process of TDD to be the most compelling part of learning TDD, and this book enables that with an easy introduction to the toolset.
