Post-Human Series—By David Simpson

The invention of the ebook, just like the University of Toronto's Academic Bridging program, gave me the opportunity I needed to prove myself. Because of them, a runaway who had to sleep in a shopping cart at sixteen, a high-school dropout with seemingly no prospects, went on to live in the best ...

Listen to Audiobooks written by David Simpson | Audible.com

Posthuman or post-human is a concept originating in the fields of science fiction, futurology, contemporary art, and philosophy that literally means a person or entity that exists in a state

beyond being human. The concept addresses questions of ethics and justice, language and trans-species communication, social systems, and the intellectual aspirations of interdisciplinarity.
