Everything a narcissist/sociopath says or does is a trick of smoke and mirrors – a narcissistic ploy – intended to distract from the reality of what he's really up to. If you pay careful attention instead of reacting to his/her behaviors, you can turn these plays into your advantage. Many of us already know that the old joke – How can you tell a narcissist is lying?

I am a passionate teacher of advanced pain-management for massage therapists. I talk and preach inflammation day in and day out. One of the first things I explain to a student taking my classes is how pain is only an indication of something not working correctly—not an automatic invitation to work on it.
