Community Reviews. Annabel's book, the wife drought, is meticulously researched and unpacks the issues surrounding the share of domestic work, work life balance, and the general helpfulness of 'wives' so brilliantly. It is also done with her laugh out loud inducing humour that makes reading it on public transport embarrassing.

Annabel was a beautiful way of making you cry with the reality of it all and laugh loudly at the absurdity of it. I don't know if this was one of the intentions of this book, but I have come away feeling like my position in the world as a stay at home mum and wife is far more important than it is given credit for. So Thank you!
