1. Washington was afflicted with dental troubles all his adult life. Despite his legendary physical strength and iron constitution, George Washington's failing teeth were a source of regular suffering throughout his entire life. At age 24, Washington recorded in his diary that he paid 5 shillings to a "Doctr Watson" who removed one of his teeth.

Education - Revolutionary patterns of education: At the turn of the 20th century the Russian Empire was in some respects educationally backward. According to the census of 1897, only 24 percent of the population above the age of nine were literate. By 1914 the rate had risen to roughly 40 percent. The large quota of illiteracy reflected the fact that by this time only about half the children ...
