The Great Political Theories Volume

Masonic conspiracy theories are conspiracy theories involving Freemasonry; hundreds of such conspiracy theories have been described since the late 18th century. Generally, these theories fall into three distinct categories: political (usually involving allegations of control of government, particularly in the United States and the United Kingdom), religious (usually involving allegations of ...

Masonic conspiracy theories - Wikipedia

Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed, what makes a government legitimate, what rights and freedoms it should protect, what form it should take, what the law is, and what duties citizens owe to a legitimate government, if ...

Table 2 contains the leadership theories that emerged from our coding process. We grouped them categorically under established and emergent theories and thematically within those broader categories. Neo-charismatic theories, which emerged historically from charismatic leadership theory, received the most attention from scholars in the new millennium (total 294 instances), with transformational ...

Overview. One of the enduring questions of economics is "Where do profits come from?" One of the ways in which economic philosophers have tried to answer it is by first answering the question of value. At the center of most economic paradigms is a Theory of Value. The classical political economists found value to be determined in production; since most of the cost of production could be reduced ...
