### **The Bible In World History**

It is a stand alone or a companion book to the bible that lets modern people understand the history at the time and events of the bible. So if you love history you can read it stand alone. The book is well written, concise and informative.

### **The Bible in World History: Dr. Stephen Leston ...**

The Bible in World History. This fascinating resource breaks biblical and early church history into eight major time periods—from "Creation to the Tower of Babel" through "Anno Domini," the years from Jesus' birth to about AD 330—and shows what was happening in other parts of the world during those times.

### **The Bible in World History: Christopher D. Hudson, Dr ...**

I love that The Bible in World History isn't intimidating at all. Add to that the way Bible events are shown on a timeline with world events; many photos, illustrations and maps are included; conversational details about all abound; and both Bible AND history comes alive for me.

### **The Bible in World History: How History and Scripture ...**

Convenient to carry around, the reader will be captivated by the beautiful illustrations, and the clear point by point explanation of the Bible in history. The author's main purpose is to understand world history through the Bible.
