Preface. A thought conceived but not expressed is at best only an unborn child, not only without any influence on the world, but of whose very existence the world may be unconscious; but once brought forth it becomes part of the living working universe, to work there its appointed season, and possibly to leave its mark for good or evil on all successive time.

This Backgrounder examines illegal immigration-related document fraud and identity theft that is committed primarily for the purpose of employment. It debunks three common misconceptions: illegal aliens are "undocumented;" the transgressions committed by illegal aliens to obtain jobs are minor; and illegal-alien document fraud and identity theft are victimless crimes.
