Holly Black - Fantastic Fiction

Almost a decade ago in my first year of uni I had a fwb who was amazing in bed but neither of us wanted anything more serious. Just as I felt like I might consider a boyfriend, I found out that he'd told me he was spending a weekend at a concert with a friend, when he actually was spending a weekend with another girl in her family home and went to a gig on one night.

Vampire literature covers the spectrum of literary work concerned principally with the subject of vampires. The literary vampire first appeared in 18th-century poetry, before becoming one of the stock figures of gothic fiction with the publication of Polidori's *The Vampyre* (1819), which was inspired by the life and legend of Lord Byron. Later influential works include the penny dreadful *Varney* ...

An instant New York Times bestseller! By #1 New York Times bestselling author Holly Black, the first book in a stunning new series about a mortal girl who finds herself caught in a web of royal faerie intrigue. Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever. And Cardan is even more beautiful than the rest.

The Cruel Prince (Folk of the Air Series #1) by Holly ...

4 Stars! I really enjoyed this sequel, I liked it better than book one! I think back in 2015 when I first read *The Iron Trial*, I was a very immature reader and I didn't allow myself to fully engage with a non-Shadowhunters books from Cassie Clare. Obviously, these works are very different in every way and both good for their own reasons!
