The Effects Of Light Miranda

Miranda is one of the principal characters of William Shakespeare's *The Tempest*. She is the only female character to appear on stage during the course of the play and is one of only four women mentioned (Claribel, Sycorax, Miranda's mother, and Miranda).

Miranda (The Tempest) - Wikipedia

Clear filters, also known as window glass filters or optical flats, are transparent and (ideally) perform no filtering of incoming light. The only use of a clear filter is to protect the front of a lens. UV filters are used to block invisible ultraviolet light, to which most photographic sensors and film are at least slightly sensitive. The UV is typically recorded as if it were blue light, so ...
