Thomas Dye, a political scientist, and his students have been studying the upper echelons of leadership in America since 1972. These "top positions" encompassed the posts with the authority to run programs and activities of major political, economic, legal, educational, cultural, scientific, and civic institutions.

The Power Elite - Social Studies help

Identity and social structure. American sociologist C. Wright Mills wrote of the "elite" in his 1957 book The Power Elite as "those political, economic, and military circles, which as an intricate set of overlapping small but dominant groups share decisions having at least national consequences. Insofar as national events are decided, the power elite are those who decide them".

There was a time in my early adulthood when many believed that American cities would soon become uninhabitable. New York City was the prototype: crime and social decay had made the city a dystopia.

Power Line

The idea and image of black Haitian revolutionaries sent shock waves throughout white America. That black slaves and freed people might turn violent against whites, so obvious in this image where a black soldier holds up the head of a white soldier, remained a serious fear in the hearts and minds of white Southerners throughout the antebellum period.
