Thorns The Frost Chronicles 2

Wow, I really, really enjoyed Thorns--possibly even a lot more than Frost (though the first book of a series I like always holds a special place in my heart, because it's what introduced me to the beauty of the series as a whole). The world-building continues to unfold naturally in the second book of the Frost Chronicles.

Works can belong to more than one series. In some cases, as with Chronicles of Narnia, disagreements about order necessitate the creation of more than one series. Tip: If the series has an order, add a number or other descriptor in parenthesis after the series title (eg., "Chronicles of Prydain (book 1)").
