The Story of Stuff is a 20-minute, fast-paced, fact-filled look at the underside of our production and consumption patterns. The Story of Stuff exposes the connections between a huge number of ...

### **The Story of Stuff**

Story of Stuff. The Story of Stuff, originally released in December 2007, is a 20-minute, fast-paced, fact-filled look at the underside of our production and consumption patterns. The Story of Stuff exposes the connections between a huge number of environmental and social issues, and calls us together to create a more sustainable and just world.

### **The Story of Stuff**

Like Rachel Carson's Silent Spring, The Story of Stuff is a landmark book that will change the way people think—and the way they live. Leonard's message is startlingly clear: we have too much Stuff, and too much of it is toxic.

I explain that one of the things Americans do that is very harmful to the environment is the cycle of "consumption" and "disposal", writing these terms on the board as I introduce them. To explain these ideas, I show the video, The Story of Stuff. While watching, I ask the students to write down the following:

### **Lesson The Story of Stuff | BetterLesson**

The Story of Stuff was received with widespread enthusiasm in hardcover, by everyone from Stephen Colbert to Tavis Smiley to George Stephanopolous on Good Morning America, as well as far-reaching print and blog coverage. Uncovering and communicating a critically important idea—that there is an intentional system behind our patterns of ...
