Wildlife Managers, Zoologists, and Horticulturists are often thought to have positions which keep them working in a mix of indoors and out, but generally in one location. Oceanographers and Meteorologists could spend their entire careers in the safety of a laboratory working upper level computer models, or much of their time at sea, studying the weather.

For those of us who understand why the United States faked the moon landing of 1969 and why the

Chinese and the Japanese and other nations fake moon and space missions today, it is very disconcerting to see an explosion in the bubble of fabricated reality as grandiose and egregiously brain damaging as the wealth gobbling fakery of a possible United States Space Force.
