Prostitution was a common aspect of ancient Greece. In the more important cities, and particularly the many ports, it employed a significant number of people and represented a notable part of economic activity. It was far from being clandestine; cities did not condemn brothels, but rather only instituted regulations on them.. In Athens, the legendary lawmaker Solon is credited with having ...

My worst experiences in the professional world all share one thing in common: I reported to a female boss. Talk to most guys (and, frankly, normal women) and they will say the same thing—working for a female boss, or in an environment composed of mostly women, is a descent into an endless abyss of back-biting, passive-aggressiveness, lies, envy, intrigue, subterfuge, manipulation, and drama.

I am a submissive man in my early 20's. I've had this 'disposition' for my entire life, as far back as I can possibly recall. However, to label it as a "disposition" would terribly understate the deep and uncontainably powerful emotions I hold toward women; speaking mainly within the dynamics of male/female relationships (and yet extending beyond that as well to a broader, more general meaning).
