One thing that's great about short stories is how quickly they can ruin your life. Maybe you start reading one over your lunch break and, if it's the right one, before that peanut butter cup you brought for dessert even has a chance to finish its melting shape-shift into some kind of sugary cement, the whole world has been destroyed around you and then rebuilt, and nothing is quite the same again.

Here are some of the gynophagia themed short stories I've read and decided to review and rate here. What does the rating system mean? For Writing and Story, I rate these based on originality, storytelling, grammar and just the plain craft of the language. Also high marks to stories with the plot that doesn't seem like a contrived fanfiction or fetish fodder.
