Enyar May 08 2019 10:17 am I bet Soo Hoo's real father is Park Kang Chul. The way Hae Chul said it, while holding his sketch of Yun Ah and her baby. Also I think that the real murderer was Cho Aera, knowing how evil she is..the real story behind So Hoo's mother's death is still no hint and should be revealed.

Left-Handed Wife - AsianWiki

The chirality of a particle is more abstract: It is determined by whether the particle transforms in a right- or left-handed representation of the Poincaré group.. For massless particles - photons, gluons, and (hypothetical) gravitons - chirality is the same as helicity; a given massless particle appears to spin in the same direction along its axis of motion regardless of point of view of ...

Sweeping with a broom from the left side usually unscrews the broom head. As a child my parents often ordered me to sweep floors and sidewalks and chastised me when I couldn't get the dust on the ground to move; they accused me of intentionally failing, because who could be so incompetent as to not know how to sweep?. I was filled with dread when I went away to college and lived in the ...

A screw thread, often shortened to thread, is a helical structure used to convert between rotational and linear movement or force. A screw thread is a ridge wrapped around a cylinder or cone in the form of a helix, with the former being called a straight thread and the latter called a tapered thread. A screw thread is the essential feature of the screw as a simple machine and also as a fastener.

Screw thread - Wikipedia

Left-handedness is the preference to use the left hand more than the right hand for daily activities such as writing or using tools. Most people can use either hand for many things. However, people very often have a definite preference for using the left or right hand for things such as: using a pen, using a knife, using scissors, brushing teeth, blowing their nose, and so on.
