The Book of Woe by Gary Greenberg | PenguinRandomHouse.com ...

A brilliant look at the medicalization of misery. For more than two years, he embedded himself in the labors of the American Psychiatric Association (APA) as it rewrote—for the fifth time—its Diagnostic and Statistical Manual, psychiatry's nosological bible. The Book of Woe is his account of the making of the DSM-5.

Gary Greenberg 'The Book of Woe ... - The New Republic

Greenberg's 'Book of Woe' and Frances's 'Saving Normal'. Before the new edition is in anyone's hands, however, we have pre-emptive strikes against it in the form of two industrious and perfervid new books, Gary Greenberg's "Book of Woe" and Dr. Allen Frances's "Saving Normal." Like Patriot antimissile systems, these volumes propose to knock the forthcoming manual out of the sky.

Greenberg's 'Book of Woe' and Frances's 'Saving Normal ...

Gary Greenberg, a practicing psychotherapist in Connecticut and contributing editor for Harper's, recently published The Book of Woe: The DSM and the Unmaking of Psychiatry. He has established himself as one of the definitive voices on the failings of the mental health industry with his previous books,...
