Whole brain synchronization occurs when the various parts of your brain begin to work together, resonating at the same frequencies and causing neural pathways to fire more rapidly. This is also sometimes referred to as "whole brain functioning" or "hemispheric synchronization". The left and right sides of your brain begin to work in concert with each other.

Christian meditation is a term for a form of prayer in which a structured attempt is made to get in touch with and deliberately reflect upon the revelations of God. The word meditation comes from the Latin word meditari, which means to concentrate. Christian meditation is the process of deliberately focusing on specific thoughts (e.g. a biblical scene involving Jesus and the Virgin Mary) and ...
