THE HALLOWED HUNT "Well, aside from my not being immune to worship—makes me wonder about the gods, indeed it does—you did make yourself quite useful. This is twice now that I've started a new book in Bujold's Chalion fantasy world expecting that this is when the series will start feeling repetitive. This is twice now that I've been pleasantly surprised. The Hallowed Hunt, even more so than Paladin of Souls, stands alone and has only passing references to the previous books.
