What is this Tao? The concept transcends the powers of reason and must be grasped intuitively, it is beyond words, beyond all differences and distinction, it is the unchanging, permanent reality of constant change, it is the ground of being and nonbeing, it is akin to the Hindu concept of the Brahman. Tao (Great Mother) is an entirely approachable, comforting, and universal idea

Tao is the first-cause of the universe. It is a force that flows through all life. "The Tao surrounds everyone and therefore everyone must listen to find enlightenment." 1 A believer's goal is to harmonize themselves with the Tao. Taoism has provided an alternative to the Confucian tradition in China. The two traditions have coexisted in the country, region, and often within the same individual.
