The Brave Little Toaster is a 1987 American animated musical comedy film adapted from the 1980 novel The Brave Little Toaster by Thomas M. Disch. The film was directed by Jerry Rees. The film is set in a world where household appliances and other electronics come to life, pretending to be lifeless in the presence of humans. The story focuses on five household appliances, a toaster, a lamp, a ...

This is a fairly simple project and is perfect for a synth-diy newbie or a young person interested in synth-diy or making noise boxes. It is slightly more challenging than the Alien Screamer or Weird Sound Generator and would make a great second project unless you already have electronic project skills in which case it will be a piece of cake. This project results in a little LO-FI noise maker ...

TARTS AFIRE. DAVE BARRY Herald Columnist The thing I like best about being a journalist, aside from being able to clip my toenails while working, is that sometimes, through hard work and perseverance and opening my mail, I come across a story that can really help you, the consumer, gain a better understanding of how you can be killed by breakfast snack food.
