Every March, a solid chunk of the US population goes a little mad, as Norman Bates put it. Except it's not at all like the madness he was talking about, but rather a fever pitch over a seemingly never-ending barrage of college basketball games and bracket-based gambling that culminates in a championship game at the end of the month.

Extraordinary Popular Delusions and the Madness of Crowds is an early study of crowd psychology by Scottish journalist Charles Mackay, first published in 1841. The book was published in three volumes: "National Delusions", "Peculiar Follies", and "Philosophical Delusions". Mackay was an accomplished teller of stories, though he wrote in a journalistic and somewhat sensational style.
