The Experience Economy Work Is

The term "Experience Economy" was first used in a 1998 article by B. Joseph Pine II and James H. Gilmore describing the experience economy as the next economy following the agrarian economy, the industrial economy, and the most recent service economy. The concept had been previously researched by many authors. Pine and Gilmore argue that businesses must orchestrate memorable events for their ...

The Experience Economy - Wikipedia

An experience is not an amorphous construct; it is as real an offering as any service, good, or commodity. In today's service economy, many companies simply wrap experiences around their ...
