Of main interests to us is the use of mining as a part of in-situ resource utilization, that is: making it easier to industrialize and colonize space by removing the need to pay the sky-high delta-V cost of lugging raw materials up Terra's gravity well.. But in the early stages, asteroid mining start-ups cannot be established to provide minerals to space industrialization because there won't ...

John Laurie, Actor: The 39 Steps. John Laurie was a Scotsman who would play many character roles in his long career - a lot of Scotsmen to be sure - but an enthusiastic and skilled actor in nearly 120 screen roles. He was the son of a mill worker, and studied for a career in architecture which he indeed began. But with World War I he left his position to join the British army. ...
