The Time Traveler's Wife is the debut novel of American author Audrey Niffenegger, published in 2003. It is a love story about a man with a genetic disorder that causes him to time travel unpredictably, and about his wife, an artist, who has to cope with his frequent absences and dangerous experiences. Niffenegger, frustrated in love when she began the work, wrote the story as a metaphor for ...

I've corralled a small little collection of Currently Journal Cards on a binder ring and it's getting a little chunky. Not that I'm saying chunky is a bad thing, you know that. This journal is totally chunky because I've also been using a paper pack collection for other projects, mainly gratitude journaling, and adding them all to the same book ring.
