The Rhythm Of Life Living

Life on this earth seems to be calibrated in some mysterious way to the number seven. We as humans operate under the cadence of a seven-day week—a cycle of human activity that doesn't even follow the cosmic timing of the stars, the sun, or the moon.

Background. Jones had already recorded two reggae-oriented albums with the Compass Point All Stars at the Compass Point Studios in Nassau, Bahamas, with the most recent, Nightclubbing, becoming her most successful record to date. She went back into the studio in 1982 to record an album which would be her final offering in the unofficial Compass Point trilogy.

photo credit: markus941. A couple of weeks ago I bought a new baseball cap from the "Life is good" store for running in the hot arizona sun. I love the products and have always thought those guys were brilliant for coming up with this happy stuff.

51 Tips for Living The Good Life

The great Fifth Hermetic Principle — the Principle of Rhythm — embodies the truth that in everything there is manifested a measured motion; a to-and-from movement; a flow and inflow; a swing forward and backward; a pendulum-like movement; a tide-like ebb and flow; a high-tide and

a low-tide; between the two-poles manifest on the physical, mental or spiritual planes.

The Kybalion: Rhythm

You've (hopefully) been brushing your teeth since you were a small child. That kind of muscle memory means that you probably aren't really thinking about what you're doing while you're doing it, which raises the question: Are you brushing your teeth right?
