The Power Rangers franchise is known for its primary color uniforms and its monsters of the week, but not all bad guys come and go so quickly. Despite seeming like the series is comprised of 20 minute standalone episodes, all of the Power Rangers shows have a season long story arc with at least one big bad at the center of it.. The Rangers might take on a monster of the week, but there's

A hero temporarily tempted by evil tends to suddenly wear skimpier clothes and be more sexually assertive. Many fans will find them sexier this way and perhaps dread the return to prudery that will accompany their return to goodness. If the Love Interest is the initial Ms. Fanservice, then The Baroness or The Vamp has to take it to the next level, sometimes immediately.

I can't see why she wouldn't just come back fine. I mean she's a robot and her 'brain' will function differently to a humans. If a human went through what she did they'd die due to blood loss to the

brain, causing the brain cells to die from lack of nutrition and oxygen.

The media to which TV Tropes is devoted generally exhibit greater sensitivity now than in the past. Even when authors are being careful with story elements, it is impossible for them to know every single person in the world's opinion or how certain tropes may be construed as offensive. Especially when you consider just how diverse human beings really are.
