There are outliers, of course. As a whole, Indians have an average IQ of 82.2. But Indian-Americans have a median income of \$100,547, probably due to selective immigration policies. (The 287 million illiterate adults in India are not the ones filling out immigration paperwork and now working high-tech jobs in the U.S.). These data obviously don't mean there are no Asians with low IQs or ...
