The Winter Music Conference (WMC) is a week-long electronic music conference, held every March in Miami Beach, Florida, United States since 1985. It is also known as the premiere platform for electronic dance music. The conference brings together professionals such as artists, DJs, record label representatives (A&R), producers, promoters, radio and the media for seminars and panel discussions.

Benefits of Butcher's Broom Effectively Treats Chronic Venous Insufficiency. Sometimes called post-thrombotic syndrome, and related to phlebitis and other causes, chronic venous insufficiency is a circulation problem in which your veins (usually in the legs, but sometimes the arms) have non-functioning valves, causing blood to pool in your limbs and internal pressure to rise in the veins.
