Occult sciences. The idea of "occult sciences" developed in the sixteenth century. The term usually encompassed three practices—astrology, alchemy, and natural magic—although sometimes various forms of divination were also included rather than being subsumed under natural magic. These were grouped together because, according to the historian of religion Wouter Hanegraaff, "each one of them ...

Hand with Reflecting Sphere also known as Self-Portrait in Spherical Mirror is a lithograph print by Dutch artist M. C. Escher, first printed in January 1935. The piece depicts a hand holding a reflective sphere. In the reflection, most of the room around Escher can be seen, and the hand holding the sphere is revealed to be Escher's.
