Thomas Jefferson's involvement with and support of education is best known through his founding of the University of Virginia, which he established in 1819 as a secular institution after he left the presidency of the United States. Jefferson believed that libraries and books were so integral to individual and institutional education that he designed the university around its library.

Thomas Jefferson and education - Wikipedia

Thomas Jefferson was born in Shadwell, Virginia, on April 13, 1743. His father had been among the earliest settlers in this wilderness country, and his position of leadership transferred to his oldest son, along with five thousand acres of land. Jefferson became one of the best-educated Americans of ...
