Life and career. Victor Niederhoffer was born in Brooklyn to a Jewish family. His paternal grandfather Martin (Martie), an accountant and court interpreter, married Birdie (née Kuminsky) in 1916. His maternal grandparents were Sam and Gertrude Eisenberg. His father, Dr. Arthur "Artie" Niederhoffer (1917–1981), graduated from Brooklyn College in 1937, and then from Brooklyn Law School, and ...

Comic book collecting is a hobby that treats comic books and related items as collectibles or artwork to be sought after and preserved. Though considerably more recent than the collecting of postage stamps or books (bibliophilia), it has a major following around the world today and is partially responsible for the increased interest in comics after the temporary slump experienced during the 1980s.

A Stoic would agree with this quote from the above book: The most important thing successful investors have in common is worrying about what they can control. They don't waste time worrying

about which way the market will go or what the Federal Reserve will do or what inflation or interest rates will be next year.
