The Suicide Index Putting My

Putting these two facts together, Sands was able to conclude that the dogs weren't committing suicide at all, rather they were excited by the smell of a small furry creature and tragically leapt over the safety wall (which is above the sight-line of most dogs) not realising they were standing on a bridge.

Are There Any Animals Other Than Humans That Commit Suicide?

A suicide crisis, suicidal crisis, attempted suicide or potential suicide, is a situation in which a person is attempting to kill themselves or is seriously contemplating or planning to do so. It is considered by public safety authorities, medical practice, and emergency services to be a medical emergency, requiring immediate suicide intervention and emergency medical treatment.

Suicide crisis - Wikipedia

A suicide attack is any violent attack in which the attacker accepts their own death as a direct result of the method used to harm, damage or destroy the target. Suicide attacks have occurred throughout history, often as part of a military campaign such as the Japanese kamikaze pilots of World War II, and more recently as part of terrorist campaigns, such as the September 11 attacks.

Suicide attack - Wikipedia
