A good first step in the laptop selection process is determining how you're going to use it. For casual use, like e-mail, surfing the Web, paying bills and checking social media, you will likely be well-served by a lighter, more affordable laptop. If you ask a bit more from your laptop, like streaming and saving movies and music or using office software for tasks like spreadsheets and document ...

Staples office organization expert Maria Gracia recommends making copies of this page and using it as your office supplies checklist or duplicate a similar form on your computer. Simply add in any supplies not already listed. Then, check off each item as you're running low. Bring this list to the store with you to ensure you remember to purchase everything that is needed.
