Before scientists found the cure, people thought love was a good thing. They didn't understand that once love -- the deliria -- blooms in your blood, there is no escaping its hold.

Delirium by Lauren Oliver

From New York Times bestselling author Lauren Oliver comes an extraordinary novel of fear, friendship, courage, and hope. *Panic* began as so many things do in Carp, a dead-end town of 12,000 people in the middle of nowhere: because it was summer, and there was nothing else to do.

Here is every fantasy book I've ever enjoyed (plus some short stories thrown in). List will be updated regularly as I read. There are books repeated as some fit into more than one category; I designed it this way so that if you're looking for one specific sub-genre you can look at just that list and not miss out.
