Here's the good news: Kids are pretty compassionate by nature. Research out of the Yale Baby Lab shows that children less than 2 years old, show greater satisfaction when giving treats to others than when receiving treats for themselves. If children are hardwired for kindness, then parents who want to raise nice kids are off to a good start. But still, parents who care about raising kids who ...

The ear has three major parts: the outer ear, the middle ear, and the inner ear. The outer ear, also

called the pinna, includes everything we see on the outside—the curved flap of the ear leading down to the earlobe—but it also includes the ear canal, which begins at the opening to the ear and extends to the eardrum.
