Review: The Book of Memory by Petina Gappah

"The memory book " was one of those rare movie that inspired you to look for the deeper meaning of life and the mystery that floated around the puzzle piece called 'Love' All the characters played their roles with just the right amount of emotion and passion. It was only towards the end that i remembered the fact that this movie was a Hallmark TV movie.

The Memory Book (TV Movie 2014) - IMDb

The Book of Memory is a magisterial and beautifully illustrated account of the workings and function of memory in medieval society. Memory was the psychological faculty valued above all others in the period stretching from late antiquity through the Renaissance. The prominence given to memory has profound implications for the contemporary understanding of all creative activity, and the social ...
