Kiera Cass's The Heir is the fourth installment in her series The Selection. The first three books focused on Prince Maxon and his romantic quest to find a bride, leading him to fall in love with the commoner America Singer.

### **The Heir: (The Selection Book 4) by Kiera Cass | Summary ...**

The Heir is more of a companion than a continuation of the Selection series. I must admit, Eadlyn is a frustrating, annoying, and bratty protagonist who I often found myself wishing I could slap, but by the end of the novel, I realized that somewhere along they way she had matured and developed into a tolerable main character who I could root for.

Princess Eadlyn has grown up hearing endless stories about how her mother and father met. Twenty years ago America Singer entered the Selection and won the heart of Prince Maxonmdashand they lived happily ever after. Eadlyn has always found their fairytale story romantic but she has no interest in trying to repeat it. If it were up to her shed put off marriage for as long as possible.
