examines the illustration and answers the question. It may be necessary to tell your child the answer to the question and then ask the question again. Be sure to work on only one WH question type at a time. In other words, be sure your child understands "What" questions before beginning to teach "Who" questions.

How to Help Your Child Understand and Produce "WH" Questions

Asking Questions to Improve Learning . When preparing to teach, compose specific questions that you will ask your students (or that you anticipate they will ask you). Doing so will help you increase student participation and encourage active learning. The strategies below are also helpful as you formulate questions for exams and assignments.

Asking Questions to Improve Learning | The Teaching Center

When you apply for a job as a teacher, you may be asked about your teaching philosophy. This is not the sort of question you should fumble or improvise on the fly – you'll look unprepared for the job if you don't have a ready answer.

How to Answer "What Is Your Teaching Philosophy?"

When you become a parent, you take great responsibility for your baby's future. Everyone wants their children to be kind, honest, sympathetic, and brave. However, these qualities won't appear out of nowhere. A good upbringing and personal examples are the keys to success. We at Bright Side considered 10 things you might want to tell your child before he or she turns 10 years old.

10 Important Things You Can Teach Your Child by Age 10

The Why's and How's of Teaching Your Child Courtesy and Respect. Children don't come into this world hard-wired for ugly behavior. In fact, I believe it's quite the opposite. Children are born with a natural inclination toward compassion, empathy and kindness but these seeds must be sown and nurtured if they're ever going to take root. "Knowledge...

10 questions for your child's teacher Posted by Darcy Moore | Published on August 7, 2010 I have never had a parent ask me any of the questions listed below, except, perhaps, the one about 'happiness' in a number of guises.

10 questions for your child's teacher - Darcy Moore's Blog

Question: "What does it mean to train up a child in the way he should go?" Answer: Solomon's advice to parents is to "train a child in the way he should go, and when he is old he will not turn from it" (Proverbs 22:6). Raising and training a child within the context of this proverb means that it begins with the Bible, as "all Scripture is God-breathed and is useful for teaching ...
