The Ghost Festival is held during the seventh month of the Chinese calendar.It also falls at the same time as a full moon, the new season, the fall harvest, the peak of Buddhist monastic asceticism, the rebirth of ancestors, and the assembly of the local community. During this month, the gates of hell are opened up and ghosts are free to roam the earth where they seek food and

entertainment.

### **Ghost Festival - Wikipedia**

In the first three numbers, all of the others are synthesized. From the union of oneness and duality (which is its reflection), that is, from triad, proceed all of the other numbers, and from this primordial triangle all figures derive.

When the Resident Evil 2 remake rumors started to gain traction there was a lot of speculation about what it would look like. Fans were unsure whether it would stick to the traditional pre-rendered backgrounds of the original games or opt for the new first-person view seen in what was a soft reboot for the series in Resident Evil 7. Instead, we got something that favors the over-the-shoulder ...
