The Luxury Strategy Break Rules

A luxury vehicle is intended to provide passengers (and often the driver) with increased comfort, a higher level of equipment and increased perception of quality than regular cars (such as economy cars, which are intended as basic low-cost transportation devices) for an increased price. The term is subjective and can be based on either the qualities of the car itself or the brand image of its ...

In professional sports, a salary cap (or wage cap) is an agreement or rule that places a limit on the amount of money that a team can spend on players' salaries. It exists as a per-player limit or a total limit for the team's roster, or both. Several sports leagues have implemented salary caps, using it to keep overall costs down, and also to maintain a competitive balance by restricting richer ...
