Medieval conceptions of hell may have little effect on the laws and social mores of our secular age. But they sure as hell did in the late 15th century, when the first illustrated editions of Dante's Inferno appeared. A 1481 edition contained art based on a series of unfinished illustrations by Renaissance master Sandro Botticelli. In 1491, the first fully-illustrated edition of the Inferno ...

Since the early 20th century, air-to-air combat has been both decisive in war and inspiring to the minds of the general public. In an age of increasingly computerized and automated battles, dogfights between pilots hark back to an earlier time when individual skill was arguably the single most important factor in many combat situations. And if duels between pilots don't impress you, massive ...

We know that mechanical things fail, people make mistakes and aviation, like the sea, is inherently unforgiving of failure or mistake. That thought was on my mind recently when we took off from Burlington, Vermont, aboard a classic old airplane, a twin engine DC-3 built in 1945. We were headed for Europe, but less than three hours later, in a flash event, both the failure and the mistake ...
